INTRODUCTION

INTRODUCCIÓ:

Un any més el Fotoclub del Cercle Artístic de Ciutadella ha organitzat el Saló Fotogràfic Digital “Illa de Menorca”, que amb la d'aquest any, arriba a la novena edició.

Degut a la persistència de la situació sanitària mundial, hem d'agrair, un any més, la participació i estaló dels fotògrafs que han participat en aquesta nova edició del Saló “Illa de Menorca”, sense els que no seria possible dur a terme aquest concurs.

Com en les anteriors edicions, hem comptat amb el patrocini de la Federació Internacional d'Art Fotogràfic (FIAP) i de la Confederació Espanyola de Fotografia (CEF) als quals també volem agrair els esforços que han fet per adaptar-se a la nova realitat mundial per a seguir promocionant la fotografia entre els aficionats.

En la present edició s'han rebut 2.890 fotografies, repartides en les tres categories de la següent manera: 1.021 obres en l'apartat de color, 982 en l'apartat de monocrom i 887 en l'apartat de viatges. Aquestes obres han estat realitzades per un total de 258 fotògrafs i pertanyents a 39 països diferents, el que ha suposat superar, un any més, les dades de participació de la passada edició i permeten que el Saló “Illa de Menorca” continui essent una de les cites més importants en el calendari de concursos internacionals de fotografia a Espanya.

Seguint les indicacions de la FIAP, que ja es van posar en marxa la passada edició, en quan a la manera de dur a terme la votació i el veredicte de les obres aportades i per tal de garantir la salut dels membres del jurat, tot aquest procés s'ha fet de manera telemàtica, evitant, així, el contacte personal entre les persones que han participat en el procés de votació.

Així mateix, hem d'agrair, un any més, l'estaló rebut per part del Consell Insular de Menorca i de les empreses patrocinadores d'aquest certamen.

INTRODUCCIÓN:

Un año más, el Fotoclub Cercle Artístic de Ciutadella ha organizado el Salón Fotográfico Digital “Illa de Menorca” que, con la de este año, alcanza ya su novena edición.

Debido a la persistencia de la situación sanitaria mundial, hemos de agradecer, un año más, la participación y el apoyo de los fotógrafos que han participado en esta nueva edición del Salón “Illa de Menorca”, sin los cuales no sería posible llevar a cabo este concurso.

Como en las anteriores ediciones, hemos contado con el patrocinio de la Federación Internacional de Arte Fotográfico (FIAP) y de la Confederación Española de Fotografía (CEF) a los que también queremos agradecerles los esfuerzos que han hecho para adaptarse a la nueva realidad mundial para seguir promocionando la fotografía entre los aficionados.

En la presente edición se han recibido 2.890 fotografías, repartidas en los tres apartados de la siguiente forma: 1.021 obras en el apartado de color, 982 en el apartado de monocromo y 887 en el apartado de viajes. Dichas obras han sido realizadas por un total de 258 fotógrafos, pertenecientes a 39 países distintos, lo que ha supuesto superar, un año más, los datos de participación de pasada edición y permiten que el Salón “Illa de Menorca” siga siendo una de las citas más importantes en el calendario de concursos internacionales de fotografía en España.

Siguiendo las indicaciones de la FIAP, que ya se pusieron en marcha en la pasada edición, en cuanto al modo de realizar la votación y veredicto de las obras aportadas y con el fin de garantizar la salud de los miembros del jurado, todo este proceso se ha realizado de manera telemática lo que ha evitado el contacto personal entre las personas que han participado en dicho proceso de votación.

Asimismo, debemos agradecer, un año más, el apoyo recibido por parte del Consell Insular de Menorca así como de las empresas patrocinadoras de este certamen.

INTRODUCTION:

For yet another year, the Cercle Artístic de Ciutadella Photoclub has organized the “Illa de Menorca” Digital Photographic Exhibition which, with this year's one, has now reached its ninth edition.

Due to the persistence of the global health situation, we have to thank, once again, the participation and support of the photographers who have participated in this new edition of the “Illa de Menorca” Salon, without whom it would not be possible to carry out this contest.

As in previous editions, we have had the sponsorship of the International Federation of Photographic Art (FIAP) and the Spanish Confederation of Photography (CEF) to which we also want to thank them for the efforts they have made to adapt to the new world reality to continue promoting photography to fans.

In this edition, 2,890 photographs have been received, divided into the three sections as follows: 1,021 works in the color section, 982 in the monochrome section and 887 in the travel section. Said works have been made by a total of 258 photographers, belonging to 39 different countries, which has meant exceeding, for yet another year, the participation data from last edition and allowing the “Illa de Menorca” Salon to continue to be one of the most important appointments in the calendar of international photography competitions in Spain.

Following the instructions of FIAP, which were already launched in the last edition, regarding the way of voting and verdict of the works contributed and in order to guarantee the health of the members of the jury, this entire process has carried out telematically what has avoided personal contact between the people who have participated in said voting process.

Likewise, we must thank, one more year, the support received from the Consell Insular de Menorca as well as from the sponsoring companies of this event.
