INTRODUCTION

Era l'any 2013 quan el Fotoclub Cercle Artístic de Ciutadella posava en marxa la primera edició del Saló Fotogràfic Digital “Illa de Menorca”. Des d'aquell moment fins avui, ja han passat 10 anys, i amb ells, 10 edicions d'aquest certamen.

És per aquest motiu que no puc començar aquesta introducció sense felicitar abans totes aquelles persones i entitats que han fet possible arribar a aquesta desena edició. De manera molt especial als membres d'aquella Junta Directiva del Fotoclub Cercle Artístic de Ciutadella de l'any 2013 en que van iniciar aquesta petita aventura; també a les persones que han participat a les diferents Junes Directives del Fotoclub i que, any rere any, han donat suport a aquest projecte.

De la mateixa manera, he d'agrair el suport de les diferents Junes Directives de l'entitat cultural Cercle Artístic de Ciutadella, on hi ha integrat el nostre Fotoclub.

Vull aprofitar aquesta oportunitat, també, per agrair el treball realitzat per José Tamayo Álvarez durant els anys en què el Saló “Illa de Menorca” va formar part del Circuit “Illes Balears” així com pel seu suport i ajuda quan, a la VI edició de l’“Illa de Menorca”, el saló va reprendre el format de certamen individual i jo vaig passar a ser el “Salon Chairman” del certamen, fins avui.

També vull fer extensiu l'agraïment a totes aquelles persones que han format part dels diferents jurats que cada any s'encarreguen de visualitzar i puntuar cadascuna de les obres presentades, així com atorgar els diferents premis.

Tampoc voldria oblidar-me d'agrair a les diferents empreses col·laboradores que ens faciliten dur a terme cada edició del Saló Fotogràfic.

Per poder assolir aquestes 10 edicions, ha estat molt important el suport rebut de la Confederació Espanyola de Fotografia (CEF) i de la Federació Internacional d'Art Fotogràfic (FIAP), així com de les diferents entitats i administracions públiques, com són l'Ajuntament de Ciutadella , el Consell Insular de Menorca, i la inclusió, en aquesta desena edició, de l'entitat Menorca Reserva de Biosfera. Moltes gràcies, també, a totes.

Finalment, el meu agraïment més sincer i profund és per a tots i cadascun dels participants en aquestes 10 edicions del nostre saló: sense la vostra participació tota la nostra feina no tindria cap sentit i, amb aquesta participació, heu fet possible que el Saló Fotogràfic Digital “ Illa de Menorca ” s'hagi anat consolidant, a poc a poc i any rere any, com un Saló de referència dins del calendari dels concursos internacionals de fotografia. Moltes gràcies!!!

Dit això, i sense estendre'm més, desitjo que gaudiu de les imatges guanyadores i finalistes que conformen aquest catàleg del X Saló Fotogràfic Digital “Illa de Menorca” – Reserva de la Biosfera 2022, en què han participat un total de 159 fotògrafs pertanyents a 31 països diferents i que han aportat 2.201 fotografies.

Joan Antoni Gomila Mulet – Saló Chairman.

Era el año 2013 cuando el Fotoclub Cercle Artístic de Ciutadella ponía en marcha la primera edición del Salón Fotográfico Digital “Illa de Menorca”. Desde aquel momento hasta el día de hoy, ya han pasado 10 años, y con ellos, 10 ediciones de este certamen.

Es por este motivo que no puedo empezar esta introducción sin antes felicitar a todas aquellas personas y entidades que han hecho posible llegar a esta décima edición. De manera muy especial a los miembros de aquella Junta Directiva del Fotoclub Cercle Artístic de Ciutadella del año 2013 en el que iniciaron esta pequeña aventura; también a las personas que han participado en las diferentes Juntas Directivas del Fotoclub y que, año tras año, han apoyado este proyecto.

Del mismo modo, debo agradecer el respaldo de las diferentes Juntas Directivas de la entidad cultural Cercle Artístic de Ciutadella, donde está integrado nuestro Fotoclub.

Quiero aprovechar esta oportunidad, también, para agradecer el trabajo realizado por José Tamayo Álvarez durante los años en que el Salón “Illa de Menorca” formó parte del Circuito “Illes Balears” así como por su apoyo y ayuda cuando, en la VI edición del “Illa de Menorca”, el salón retomó al formato de certamen individual y yo pasé a ser el “Salon Chairman” del certamen, hasta el día de hoy.

También deseo hacer extensivo el agradecimiento a todas aquellas personas que han formado parte de los diferentes jurados que cada año se encargan de visualizar y puntuar cada una de las obras presentadas, así como de otorgar los diferentes premios.

Tampoco quisiera olvidarme de agradecer a las diferentes empresas colaboradoras que nos facilitan el llevar a cabo cada edición del Salón Fotográfico.

Para poder alcanzar estas 10 ediciones ha sido muy importante el soporte recibido de la Confederación Española de Fotografía (CEF) y de la Federación Internacional de Arte Fotográfico (FIAP), así como de las diferentes entidades y administraciones públicas, como son el Ajuntament de Ciutadella, el Consell Insular de Menorca, y la inclusión, en esta décima edición, de la entidad Menorca Reserva de Biosfera. Muchas gracias, también, a todas ellas.

Finalmente, mi agradecimiento más sincero y profundo es para todos y cada uno de los participantes en estas 10 ediciones de nuestro salón: sin vuestra participación todo nuestro trabajo no tendría ningún sentido y, con dicha participación, habéis hecho posible que el Salón Fotográfico Digital “Illa de Menorca” se haya ido consolidando, poco a poco y año tras año, como un Salón de referencia dentro del calendario de los concursos internacionales de fotografía. Muchas gracias!!!

Dicho lo cual, y sin extenderme más, deseo que disfrutéis de las imágenes ganadoras y finalistas que conforman este catálogo del X Salón Fotográfico Digital “Illa de Menorca” – Reserva de la Biosfera 2022, en el que han participado un total de 159 fotógrafos pertenecientes a 31 países diferentes y que han aportado 2.201 fotografías.

Joan Antoni Gomila Mulet – Salón Chairman.

It was the year 2013 when the Ciutadella Cercle Artístic Photoclub launched the first edition of the "Illa de Menorca" Digital Photographic Exhibition. From that moment until today, 10 years have passed, and with them, 10 editions of this event.

It is for this reason that I cannot begin this introduction without first congratulating all those people and entities that have made it possible to reach this tenth edition. In a very special way to the members of that Board of Directors of the Photoclub Cercle Artístic de Ciutadella in 2013 in which they began this little adventure; also to the people who have participated in the different Boards of Directors of the Fotoclub and who, year after year, have supported this project.

In the same way, I must thank the support of the different Boards of Directors of the cultural entity Cercle Artístic de Ciutadella, where our Fotoclub is integrated.

I would also like to take this opportunity to thank José Tamayo Álvarez for his work during the years in which the "Illa de Menorca" Contest was part of the "Illes Balears" Circuit, as well as for his support and help when, in the VI edition of the "Illa de Menorca", the salon returned to the individual contest format and I became the "Salon Chairman" of the contest, until today.

I also wish to extend my gratitude to all those people who have been part of the different juries that each year are in charge of viewing and scoring each of the works presented, as well as awarding the different prizes.

Nor would I want to forget to thank the different collaborating companies that make it easier for us to carry out each edition of the Photographic Exhibition.

In order to reach these 10 editions, the support received from the Spanish Confederation of Photography (CEF) and the International Federation of Photographic Art (FIAP), as well as from the different entities and public administrations, such as the Ciutadella City Council, the Consell Insular de Menorca, and the inclusion, in this tenth edition, of the entity Menorca Biosphere Reserve. Thank you very much, too, to all of them.

Finally, my deepest and most sincere gratitude goes to each and every one of the participants in these 10 editions of our show: without your participation all our work would be meaningless and, with your participation, you have made it possible for the Digital Photographic Show "Illa de Menorca" has been consolidating, little by little and year after year, as a reference Hall within the calendar of international photography competitions. Thank you very much!!!

Having said that, and without going any further, I hope you enjoy the winning and finalist images that make up this catalog of the 10th "Illa de Menorca" Digital Photographic Exhibition – Biosphere Reserve 2022, in which a total of 159 photographers from 31 different countries and that have contributed 2,201 photographs.
